

Miss Shannon's Music Studio is excited to introduce student and student Instructor, Tess McKenzie. She has a bright and energetic personality. She loves music and loves teaching it.

- Tess has been a piano student since 2014 and has been a student at Miss Shannon's since her family moved to the area in 2017.
- Tess has been homeschooled nearly her entire education but did participate in Batesville High School Choir her freshman year. It was a fun experience and helped her grow her musical talents.
- Being homeschooled has allowed Tess the freedom to play the piano at her leisure- which has given her an edge in playing and understanding the instrument. Her favorite pieces to play are Christmas songs and songs from movies and popular TV shows.
