KENDALL**

Miss Shannon's Music Studio welcomes Joe Kendall to the team!

- Joe has been playing guitar and mandolin for a combined 30+ years, collaborating with bands and songwriters in the Cincinnati area, and performing in venues from Florida and Tennessee to Ohio and Pennsylvania.
- He has contributed to numerous recordings throughout his musical tenure and is as comfortable in the studio as he is writing, arranging, or performing.
- Joe views servant leadership and sound mentorship as fundamental to student success.
- You can currently catch him playing with the raucously loud Irish rock outfit The Bloody Tinth.
